

“Towards a Cure”

16-17 JULY 2010
Vienna, Austria

Call for Abstracts

HIV Reservoirs and
Strategies to Control them

AIDS
2010

pre-conference
basic science
workshop

Workshop Chair

2008 Nobel Laureate for Medicine
and IAS Governing Council Member
Françoise Barré-Sinoussi

The International AIDS Society is convening an invitation only, two-day workshop in advance of the XVIII International AIDS Conference in Vienna, Austria. The workshop will focus on the topic of HIV reservoirs. The persistence of latent HIV reservoirs in different compartments of the body is one of the main barriers to the eradication of HIV infection.

Deadline for Abstract Submission:

10 February 2010

Submit online at
<http://www.aids2010.org/>

Abstracts submitted for
AIDS 2010 Track A
will be considered
for the workshop
